4. Device and Communication Service

Trustees participating in meetings remotely will normally provide the device and communication service subscription necessary to connect to the meeting.

5. Method of Trustee Connection

b. Malfunctions Affecting Trustee Participants

In the event of a technical malfunction that prevents a Trustee participating remotely from hearing or being heard, at the discretion of the Chair, the meeting may be paused or suspended until the malfunction is corrected. If a remote participant's connection cannot be restored in a reasonable period, the chair can proceed if a quorum is otherwise established by Board members remaining in the meeting room plus other remote participants who have simultaneous aural communication.

c. Malfunctions Affecting Public Observers

During the conduct of a complete remote meeting open to the public, the Secretary/Treasurer will provide a means to monitor the conferencing platform. In the event of a malfunction preventing the public observers from hearing the proceedings, the Secretary/Treasurer will notify the Chair as soon as practically possible. The Chair must suspend the conduct of the meeting until the aural communication is restored.

M. Email Communications

- b. Trustees will not ordinarily conduct email communications directly with College employees or students. If a Trustee receives a communication on his/her College-provided email address from the public, employees, and/or students, the Trustee will not respond or participate in a discussion, but report the communication to the Board Chair.

N. Comprehensive Liability Insurance and Defense of Sovereign Immunity

The Board may carry comprehensive liability insurance to protect the Board, its agents and employees, and the agents and employees of any community college under its jurisdiction. The purchase of the insurance is for an educational purpose and is a valid educational expense. The Maryland Higher Education Commission may adopt standards for the policies, including a minimum liability coverage which may not be less than \$100,000 per occurrence. Any policy purchased after the adoption of these standards shall conform to them.

The Board complies with this section if it is self-insured, for at least such amounts per occurrence as may be required by applicable State law and the rules and regulations of the State insurance commissioner.

This section does not prevent the Board, on its own behalf, from raising the defense of sovereign immunity in a proper case and to any amount of a claim in excess of the limits of an insurance policy or in excess of \$100,000 in the case of self-insurance.
